

Bluebird Primary School

Headteacher's newsletter · 16 October 2026

Dear students, families and staff — we're nearly at the end of our first half term, and I'm so proud of everything our students have achieved. Here's what's happening before the holiday.

Dates for your diary

Wednesday 21 October, 3:30pm	Parents' evening — parent roleplayers meet the class teachers. Sign up on our Discord.
Thursday 22 October, 8:40am	Open session for new students — come and try a morning at Bluebird. No sign-up needed.
Friday 23 October, 3:30pm	Halloween disco in the school hall — come in your best (non-scary) costume!
26 to 30 October	Half term — no school sessions.
Monday 2 November	Back to school for the second half of the autumn term.

Black History Month

Our Black History Month learning has been fantastic. Year 2 have been writing about Floella Benjamin's journey in **Coming to England**, Year 4 discovered that Roman Britain was home to people from across the empire, and Year 6 have been learning about Black servicemen and women in the Second World War, including Johnny Smythe and Lilian Bader.

Year 3 travel back to the Stone Age

On Wednesday, Kingfishers class spent the day as Stone Age hunter-gatherers — making cave paintings, building shelters and investigating replica tools. Well done, Kingfishers!

We're hiring!

Bluebird is growing, and we're looking for **teachers, teaching assistants and school staff**. You must be 13 or older and able to come to at least one session a week. No experience is needed — full training is given. See the staff vacancies page on our website.

Our new website

Our new website is coming soon! You'll be able to apply to join, sign up for clubs and trips, report an absence and see what every class is learning, all in one place.

Reminders

- **Can't make a session?** Report an absence on our website, in the Parents section.

- **Uniform:** navy sweatshirt or cardigan, white or pale blue polo shirt, grey or black trousers, shorts, skirt or pinafore. PE kit on PE days.
- **Stay safe online:** never share your real name, address, school or passwords. If anything worries you, tell a trusted adult and open a ticket on our Discord.

Have a restful half term, everyone. Community events may still run on our Discord server over the holiday — keep an eye on the announcements channel.

Rooted in kindness, reaching for the sky.
Mrs Eleanor Hughes, Headteacher
